MESSAGE

FROM THE PRINCIPAL'S DESK

Dear Students,

It gives me immense pleasure to welcome you to the academic session 2026–27. As our institution moves ahead in its distinguished journey beyond five decades, we continue to build upon a strong foundation of academic excellence, values, and a commitment to shaping responsible and capable citizens.

Our college is not merely a centre of education but a vibrant platform for intellectual growth, creativity, and holistic development. Here, you will gain knowledge, develop essential life skills, and cultivate the confidence required to meet the challenges of a rapidly evolving world.

I encourage you to pursue your academic goals with dedication, curiosity, and a spirit of inquiry. Be open to new ideas, think critically, and make the most of every opportunity for learning and self-improvement.

Beyond academics, actively participate in co-curricular and extracurricular activities. Engage in cultural events, sports, and community service initiatives that will enrich your personality and foster leadership qualities.

Uphold the values of integrity, respect, and empathy in all your endeavors. Together, let us continue to nurture a campus environment that is inclusive, supportive, and inspiring for all.

On behalf of the entire faculty and staff, I wish you a productive, enriching, and successful academic year. May you strive for excellence and contribute meaningfully to society.

WITH WARM REGARDS

***Prof. Kuldip Kumar Gupta
(Principal)***

COLLEGE PROFILE

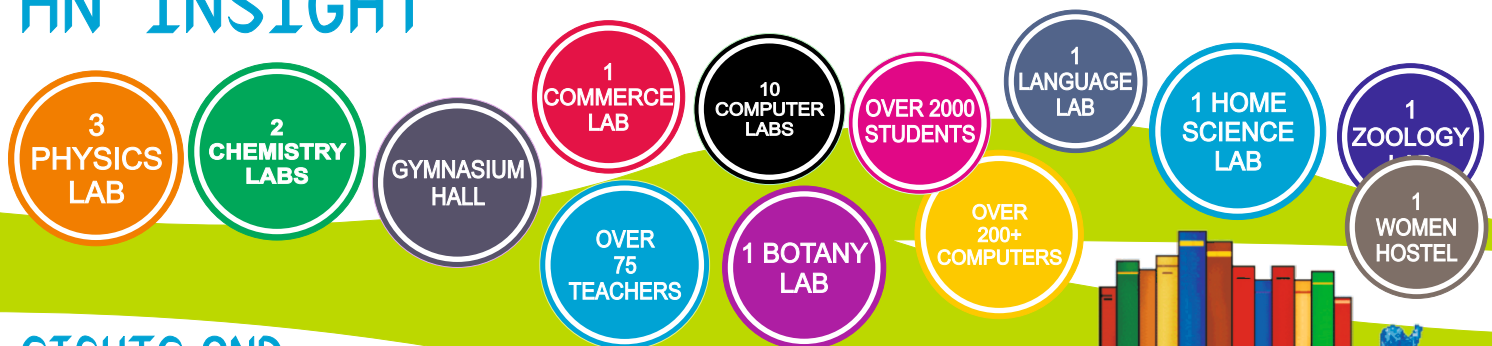

SRPA Adarsh Bhartiya College, originally established as Adarsh Bhartiya Mahavidyalaya in 1974, began its journey as an Arts College. With the sincere and timely efforts of visionary philanthropists and educationists of Pathankot, the institution quickly gained the trust and admiration of the local community and began to grow steadily.

The College expanded its academic horizons by introducing the Faculty of Commerce in 1978, followed by the Faculty of Science in 1984. Over time, a variety of job-oriented and career-focused courses have been added to keep pace with modern educational needs. Programs such as BBA, BCA, B.Sc. (Computer Science), B.Sc. (IT), M.Sc. (IT), M.Sc. (Computer Science), B.Sc. (Economics), M.Sc. Mathematics, and M.A. English have enriched the academic portfolio. Vocational subjects for Arts students have also been introduced.

We take great pride in announcing that our **BBA and BCA programs are now approved by the All India Council for Technical Education (AICTE), Ministry of Education, Government of India, New Delhi. With the implementation of the National Education Policy (NEP) 2020, four-year Honours Degree Programs have been launched by GNDU starting from the academic session 2024–25.**

The AB College has introduced two new smart class cum seminar rooms this academic session of 2025-26, in addition to increasing the number of computers in the computer lab and administrative office. Furthermore, the playground has been completely reinforced with wire mesh for the safety of students.

AN INSIGHT

SIGHTS AND IMPOSING STRUCTURE

Our college campus features well-designed **Arts, Commerce, and Science blocks**, a centrally located Administrative Block-cum-Library, a state-of-the-art Seminar Halls, and a grand gymnasium. These facilities provide a calm, focused environment ideal for academic pursuits. The college also offers a well-maintained women's hostel and is nestled in a serene, green setting that enhances the learning experience.

To support practical learning, the college has developed modern, well-equipped laboratories for Science and Computer Studies. Air-conditioned labs, internet-enabled computer systems, and networking facilities across departments further enhance students' academic experience. A large tract of land has been transformed into spacious sports grounds. The campus also boasts a dedicated indoor sports complex, a cemented basketball court with fiberboards, and a badminton court—promoting physical development alongside academics.

COLLEGE LIBRARY & Book Bank

Our well-stocked central library remains a cornerstone of learning. The college has operated a "Book Bank" since 1977 to support deserving, underprivileged, and meritorious students. A specially appointed committee ensures fair distribution of resources. The library includes a rich collection of books and reference materials in Science, Commerce, Business Studies, Computer Science, Electronics, Social Sciences, and Education. With subscriptions to over 45 periodicals and a newly constructed, spacious library-cum-reading hall, the facility serves as a vibrant hub for intellectual engagement for both students and faculty.

MESSAGE FROM THE ADMINISTRATOR

Dear Students,

It is a matter of great pride and pleasure to welcome you to a new academic session at SRPA Adarsh Bhartiya College, Pathankot. As you embark on this important phase of your educational journey, you also become a part of an institution with a rich legacy of excellence, service, and commitment to society.

Being associated with this esteemed college is both an honour and a responsibility. As we move forward beyond five decades of distinguished service, our focus remains on empowering young minds with knowledge, skills, and values that prepare them to lead and succeed in a dynamic world.

Education is not merely the pursuit of academic achievement; it is a journey of self-discovery, discipline, and transformation. I encourage you to think boldly, act responsibly, and remain resilient in the face of challenges. Let your time here shape not only your career but also your character and vision for the future.

Take full advantage of the opportunities available—learn from your teachers, collaborate with your peers, and actively participate in academic, cultural, and social initiatives. Each experience will help you grow into a confident and responsible individual. I urge you to uphold the highest standards of integrity, respect, and empathy. Together, let us continue to build a campus environment that is inclusive, progressive, and inspiring.

The district administration stands firmly committed to supporting the college in its mission of nurturing talent and promoting excellence. We will continue to ensure a safe, supportive, and enabling environment for all students.

Wishing you a year filled with purpose, achievement, and new possibilities. May you strive for excellence and contribute meaningfully to society.

Warm regards,

Sh. Mandeep Singh Mann, PCS
SDM Pathankot & Administrator
SRPA Adarsh Bhartiya College, Pathankot

MESSAGE FROM THE REGISTRAR

Dear Students,

A heartfelt welcome to the new academic session at SRPA Adarsh Bhartiya College, as we proudly move and continue our legacy of academic excellence.

Your time here is a unique opportunity to learn, grow, and prepare for a meaningful future. Embrace your studies with curiosity, engage actively with your peers and faculty, and make the most of the resources and opportunities available—inside and outside the classroom.

Get involved in campus life, explore your interests, and challenge yourself through leadership and service. Each experience will help shape you into a confident, capable, and compassionate individual.

Remember, success is built on hard work, focus, and resilience. We are here to support you every step of the way.

Wishing you a successful, fulfilling, and inspiring academic year ahead.

Ravi Ranjan Prasad, Assoc. Prof.
Registrar
HOD, Deptt. of Chemistry

GLIMPSES OF SOME OF INFRASTRUCTURAL FACILITIES FOR STUDENTS

The college boasts an impressive array of state-of-the-art infrastructural facilities designed to cater to the diverse needs and aspirations of its students.

College have extensive network of eight meticulously maintained, air-conditioned computer labs, with example of Lab No. 5. The labs, are equipped with the latest hardware and software, provides students with an optimal environment for honing their digital skills and conducting research projects.

The college offers versatile reading room and seminar rooms, seamlessly integrated into a single space. This innovative facility is equipped with a cutting-edge smart Android board, enabling dynamic and interactive presentations, discussions, and collaborative learning experiences.

Mid-semester examinations are a critical component of the college's academic calendar, and the institution ensures that students are well-prepared for these assessments. The college is commitment to rigorous academic standards and continuous learning.

The physics lab, with its three dedicated Labs, provides students with ample opportunities to delve into the fascinating world of scientific inquiry. The lab's well-equipped infrastructure and supportive teaching staff create an ideal environment for fostering a deep appreciation for the scientific method.

The College's Administration, (SDM, Pathankot), plays a pivotal role in overseeing the institution's operations and ensuring that students' needs are met. During routine inspections, the SDM conducts thorough assessments of various departments, including the chemistry lab, to maintain the highest standards of safety, hygiene, and academic integrity.

In the chemistry lab, students actively participate in titration experiments, applying their theoretical knowledge to real-world scenarios. This experiential learning approach not only reinforces their understanding of complex concepts but also cultivates critical thinking and problem-solving skills.

The Home Science lab is facility, where students engage in hands on learning experiences that blend theory with practical application. The lab's modern equipment and resources enable students to explore various aspects of home management, nutrition, and textiles, fostering a well-rounded educational experience

The college offers a range of recreational facilities, including a well-equipped gymnasium and a taekwondo training area. Additionally, a dedicated yoga room caters to students seeking to cultivate mindfulness, flexibility, and overall well-being.

The institution's non-teaching staff are readily available to address any concerns or difficulties students may encounter, ensuring a supportive and nurturing environment.

“The library is an arena of possibility, opening both a window into the soul and a door onto the world.” -Rita Dove.. To inculcate habit of self-study, the college has a well-equipped library with LAN connectivity, housing around 30000 volumes .Apart from text books, there are encyclopaedias, dictionaries, research journals, monographs, periodicals, magazines and newspapers.

The library has various sections namely Circulation section, Book section, Reference Section, Newspaper Section, Periodical Section. Along with that two air conditioned separate Reading Halls for boys and girls with seating capacity of around 100 students. Reprographic services including photocopy and printing services are available in the library. Book bank facility is being provided to topper and needy students.

Every year new purchase of books is being done for the students, to keep students abreast with new updates.

PLACEMENT AND TRAINING/INTERNSHIP CELL

The Training & Placement Cell serves as an important link between students and the professional world by providing career guidance, skill development, and placement assistance. The cell regularly organizes seminars, workshops, personality development programs, aptitude training sessions, mock interviews, and expert lectures to enhance the employability skills of students. Information regarding job opportunities, internships, competitive examinations, and recruitment drives is continuously shared with students through social media platforms, WhatsApp broadcasts, email communication, and other digital media channels to keep them updated with the latest career opportunities.

The institution also invites reputed companies from various sectors for campus recruitment every year, enabling students to secure placements in well-known organizations. A considerable number of students are successfully placed annually in different fields such as IT, banking, manufacturing, healthcare, education, and services. Along with placement activities, the cell facilitates industrial training and internship programs for students of different semesters as a part of their curriculum. These trainings provide practical exposure, industry experience, and professional skills that help students become industry-ready and confident professionals.

FEW GLANCES INTO COLLEGE ANNUAL FUNCTION 2025-26

NATIONAL SERVICE SCHEME (NSS) 2025-26

The National Service Scheme (NSS) unit is a vibrant platform for students to engage in meaningful community service while developing a sense of social responsibility and leadership. Established per the objectives of the Ministry of Youth Affairs & Sports, Government of India, the NSS unit actively conducts a wide range of activities including environmental awareness drives, health camps, Swachh Bharat initiatives, and literacy programs.

Students are encouraged to participate in both regular activities and annual special camps, which are designed to promote holistic development and community engagement. Through NSS, students gain invaluable experience that enriches their academic journey and nurtures a spirit of volunteerism and civic duty.

ROAD SAFETY AWARENESS RALLY

NSS volunteers organized a Road Safety Awareness Rally during National Road Safety Month to educate the public about traffic rules, safe driving practices and accident prevention.

POSTER MAKING COMPETITION

The NSS Department organized a Poster Making Competition during Independence Day Celebrations. Students expressed their creativity through posters on patriotic and social themes.

10TH AYURVEDA DAY VISIT

NSS Programme Officers along with Volunteers celebrated 10th Ayurveda Day and visited the Ayurvedic Clinic of Dr. Vishal Arora to promote awareness about traditional healthcare and holistic wellness.

SWACHHATA PLEDGE & HUMAN CHAIN

NSS volunteers took the Swachhata Pledge and formed a human chain to spread awareness about cleanliness, environmental responsibility, and a cleaner and greener India.

FREE EYE CHECK-UP CAMP

The NSS Department organized a Free Eye Camp in Collaboration with Chauhan Medicity to provide eye check-ups and promoted healthcare awareness among the community.

CLEAN CAMPUS DRIVE

NSS volunteers actively participated in a Clean Campus Drive to maintain hygiene, promote sustainability and create a clean and green environment for all.

OUR PRIDES

NATIONAL CADET CORPS (NCC)

The NCC unit of SRPA Adarsh Bhartiya College stands as a proud pillar of discipline, leadership, patriotism, and national service. The college offers both **Army and Navy Wings** for boys as well as girls, providing students with a valuable platform to develop confidence, courage, teamwork, and a spirit of selfless service towards the nation.

The NCC cadets of the college have consistently brought pride and recognition to the institution through their outstanding participation in numerous national, state, and district-level camps and competitions. Many cadets have earned the honour of attending prestigious camps such as the **Republic Day Camp (RDC)** and various leadership and training camps organized across the country. The NCC unit of the college has regularly excelled in the **Independence Day and Republic Day parades** at Pathankot and is widely recognized for its discipline and performance.

Beyond parade and training activities, NCC instils values of responsibility, unity, and social commitment among students through community service and awareness programs. The college takes immense pride in having produced hundreds of officers and personnel serving in the **Indian Armed Forces and Paramilitary Forces**, who continue to inspire young cadets to dedicate themselves to the service of the nation with honour, discipline, and commitment.
